Selected reviews

About *Vampyria* Book 1, *The Court of Shadows*

"Supernatural alternate histories don't come much more suspenseful or fully realized than this impressive series debut from Dixen (the Phobos Trilogy). Dixen excels at concocting unexpected detours and jaw-dropping cliffhangers. Anne Rice fans will be especially enthralled." —*Publishers Weekly* (starred review)

"Author Dixen has masterfully crafted a gothic tale that leaves you on the edge of your seat with its evocative descriptions and razor-sharp tension as each scene unfolds." —*Historical Novel Society*

"A brilliant and brave young heroine who is still realistically vulnerable, in a world of vampires who really do want to kill people—and yet retain their creepy fascination. Read this to find out why Victor Dixen's thrilling series is a huge bestseller in France. I can't wait to read the next one!" —Ellen Kushner, World Fantasy Award winner, author of *Swordspoint*

About *Phobos* Book 1

"This thriller is an excellent introduction to the topic, providing real insight into the technological challenges that aerospace engineers and astronauts actually face." —*Ariane Group*, European leader in space launchers

"*Phobos* is a striking novel that masterfully mixes science-fiction, thriller and romance. Victor Dixen delivers a truly immersive reading experience, and a highly addictive book." —*Le Temps*

"*Phobos* gave me the perfect escape I've been ravenous for. Each page took me further into the stars on a daring and romantic journey to Mars. This book is my new obsession!" —Megan Shepherd, bestselling author of *The Madman's Daughter*
